AMERICAN PRODUCERS SUPPLY

Industrial, Construction and Oil Field Supplies

Letter to our Customers

American Producers Supply is committed to providing our customers with critical equipment to support public health and safety. Due to the Coronavirus, we are experiencing higher than normal demand for personal protection equipment (PPE). We are working with our manufacturing and supply chain partners to address shortages as they occur. We anticipate a disruption to orders for certain infection control products such as masks, hand sanitizers and disinfecting products. Disposable respirators exceeds supply and we cannot guarantee fulfilment of requested quantities at this time. American Producers Supply will share updates as information becomes available.

Dear Valued Customers,

American Producers Supply would like to thank all our valued customers for their loyalty during these unsettling times.

We want you to know that we are here to support our customers and their businesses. We are considered an essential business and will remain open for your needs.

American Producers is committed to ensuring the safety of our staff, our customers, and our communities and we have taken steps internally to attain this goal.

You can still get the supplies you need by doing one of the following:

- **Stop in** your local showroom to place your order and pick up on the spot
- **Call-in** your order and have it ready for pickup outside our door
- **Call-in** your order and request on-site delivery
- **Place your order at americanproducers.com** and have it delivered

Please stay healthy and safe.

Sincerely,

Joseph H. Wesel II
Vice President
