Prepare Now for the Winter Season!

120 Volt Radiant, Fan Forced Portable Heater

#198TMC

- 3 Heat settings:
  - 600 watt radiant
  - 900 watt fan forced
  - 1500 watt radiant & fan forced
- Temperature control thermostat
- Dual safety system: Tip over switch and manual reset type limit control
- 6 ft. long, 3-conductor cord
- Limited 1-year warranty

$64.99

120 Volt "Milk-House" Style Fan Forced Portable Heater

#188TASA

- 1300W and 1500W heat settings plus fan only setting
- Temperature control thermostat
- 6 ft. long, 3-conductor cord
- Triple safety system:
  - Tip over switch
  - Automatic reset type limit control
  - Thermal cut-off device

$39.99

HEATSTAR by ENERCO

Cordless Forced Air Propane Heater

#HS35CLP

- 35,000 BTU/HR
- Advanced on-board electronic controls
- Connects to 20, 40, or 100 lb. propane tanks
- Built-in Battery and Charger
- Runs 8 hours per charge
- Recharges in 5-6 hours
- Can operate while plugged in charging
- Ultra quiet fan and burner
- Lower surface temperature
- Hose and regulator included
- Limited 1 year warranty

$174.99

Heavy Duty Forced Air Kerosene Heaters

- Durable steel construction
- Illuminated on/off switch
- Automatic shut-off with loss of flame or power
- Overheat safety shutoff
- Enclosed motor
- Continuous ignition
- Fuel gauge
- Heavy-duty high-output fan
- Larger "glove friendly" controls
- CSA certified
- Limited 1-year warranty

Model No.	Output	Heating Area	Tank Capacity	Run Time on Full Tank	Price
HS50K	50,000 BTU	1,200 sq. ft.	4 gal.	11 hrs.	$199.00
HS75KT	75,000 BTU	1,750 sq. ft.	6 gal.	11 hrs.	205.00
HS175KT	175,000 BTU	4,250 sq. ft.	14 gal.	10 hrs.	349.00
HS210 KT	210,000 BTU	6,000 sq. ft.	14 gal.	8 hrs.	469.00

HeatTrak® Snow Melting Mats

The HeatTrak Industrial Snow Melting Mats are heavy-duty safety mats designed to prevent snow and ice accumulation on walkways and stairs by melting snow on contact.

The Industrial Walkway Mat is made of an electrically operated heating element sandwiched between two protective surfaces of flame retardant reinforced SBR rubber, enabling it to endure harsh wear.

It plugs into any standard 120V or 240V outlet generating heat to melt snow at a rate of 2 inches per hour.

The mat can be secured to the ground using its built-in grommet holes and is designed to be left outside for the entire winter season.

Each Industrial Snow-Melting Walkway Mat comes with its own ELCI plug (equipment leakage circuit interrupter).

Industrial Snow-Melting Walkway Mats are available in many sizes from 24 in. x 5 ft. up to 48 in. x 6 ft. Snow-Melting Stair Mats come in sizes from 11 in. x 36 in. up to 11 in. x 96 in. *Available by special order.*

Pre-Season Special
Rock Salt, 50 lb. Bags

#7709

- Works down to 5°F/-15°C
- Fast Melting: contains large and small Sodium Chloride crystals for greater speed and longevity
- Does not leave oily residue
- 49 bags per pallet

Less than one pallet	$6.99 per bag
1 - 2 pallets	$5.29 per bag
3 or more pallets	$4.99 per bag

Stock Up for Winter and Save!

PLEASE NOTE: Pre-season salt orders are non-returnable.
