GripAll

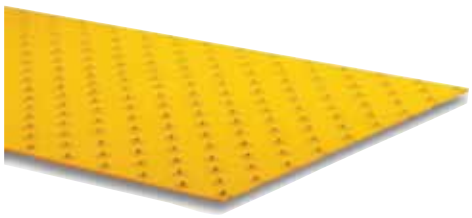

Available Now at American Producers!

LavaGrip®

- Superior traction control
- Textured surface ensures sure footing—yet still gentle enough for barefoot traffic

XtremeGrip®

- Aggressive traction control
- Embedded steel studs create a heavy-duty, durable surface to protect against slips
- Patented stud design defeats mud, wet leaves, oil, snow, and ice.

LavaRungs®

- Creates traction control on ladder rungs
- Designed for round ladder and scaffolding rungs
- Pliable to form to any 3/4" to 2-1/2" rung
